

The Club, working with supporter groups and the Fans' Forum, has produced this document to provide transparency around the sanctions that Manchester United Football Club Ltd may impose for various offences. The document also sets out what the appeals processes are should sanctions be imposed.

Please note that in addition to the sanctions set out in this document, it is likely that committing an offence will result in the relevant individual being refused entry to, or being ejected from the stadium.

The Club will review this guide from time to time.
