

The purpose of this Code of Conduct is to reduce the risk of COVID-19 being spread when fans attend Old Trafford. It is everyone's responsibility to protect themselves and others. Remember to always act in ways which reduce the risk of exposure and transmission of the virus.

This Code of Conduct must be read and adhered to by everyone attending matches played at Old Trafford until further notice. It applies in addition to the relevant Terms and Conditions, Club Sanctions and Ground Regulations which are all available to view at [manutd.com/terms](https://www.manutd.com/terms).

Please be aware that government and local authority policy may change throughout the season, potentially at short notice. Supporters planning to attend should always follow the latest requirements and advice. In turn, this Code of Conduct may be updated at any time as the situation changes and should be read each time you plan to visit Old Trafford.

Should you attend?

1. You should not attend matches being played at Old Trafford if applicable government guidance prevents you doing so. For example, because you have been asked to self-isolate by NHS Test and Trace; are required to isolate after travel; or because you are displaying any COVID-19 symptoms (a high temperature, new and persistent cough, or a loss of/change in sense of taste or smell), even if these symptoms are mild.
2. Everyone must consider their health, age, and clinical vulnerability before deciding to attend. Visit [nhs.uk](https://www.nhs.uk) for guidance.
3. If you cannot attend for the reasons set out above please see [manutd.com](https://www.manutd.com) on how to forward your ticket.
